AHMAD S. AL KHAYYAT

After graduating with a BSc. in Monetary Economics from the London School of Economics, Ahmad S. Al Khayyat went to Yale University where he completed his postgraduate degree in International & Development Economics in 1994. He later interned briefly at the Industrial Bank of Japan in London.

Between 2000 and 2003 he worked as an Associate with McKinsey & Co. in both the Cologne and Dubai Offices across a number of sectors including Banking, Tourism, Telecoms, Transportation and Healthcare.

In 2003 he joined the family business, Al Khayyat Investments, as a partner, and was later appointed by the board as Managing Director in 2006.

He was one of the founding investors in Taaleem PJSC, and has been a continuous board member and member of the executive committee since its inception.

In 2006 he was one of the founding investors of Transmak, which specializes in construction equipment leasing, and continues to be on its board.

He is a 50% owner of Realty Enterprises which owns and leases commercial and retail space.

In 2017 he set up Sun In Motion - a solar PV contracting, operations and maintenance company - in Dubai.

He also set up four separate renewables energy investment platforms in Riyadh (KSA), Abu Dhabi Global Markets (UAE), Bahrain (Bahrain) and in Dubai Multi Commodities Centre (UAE) under the name Three Eight Six between 2020 and 2022.
